MILTON HIGH SCHOOL

KEYNOTE

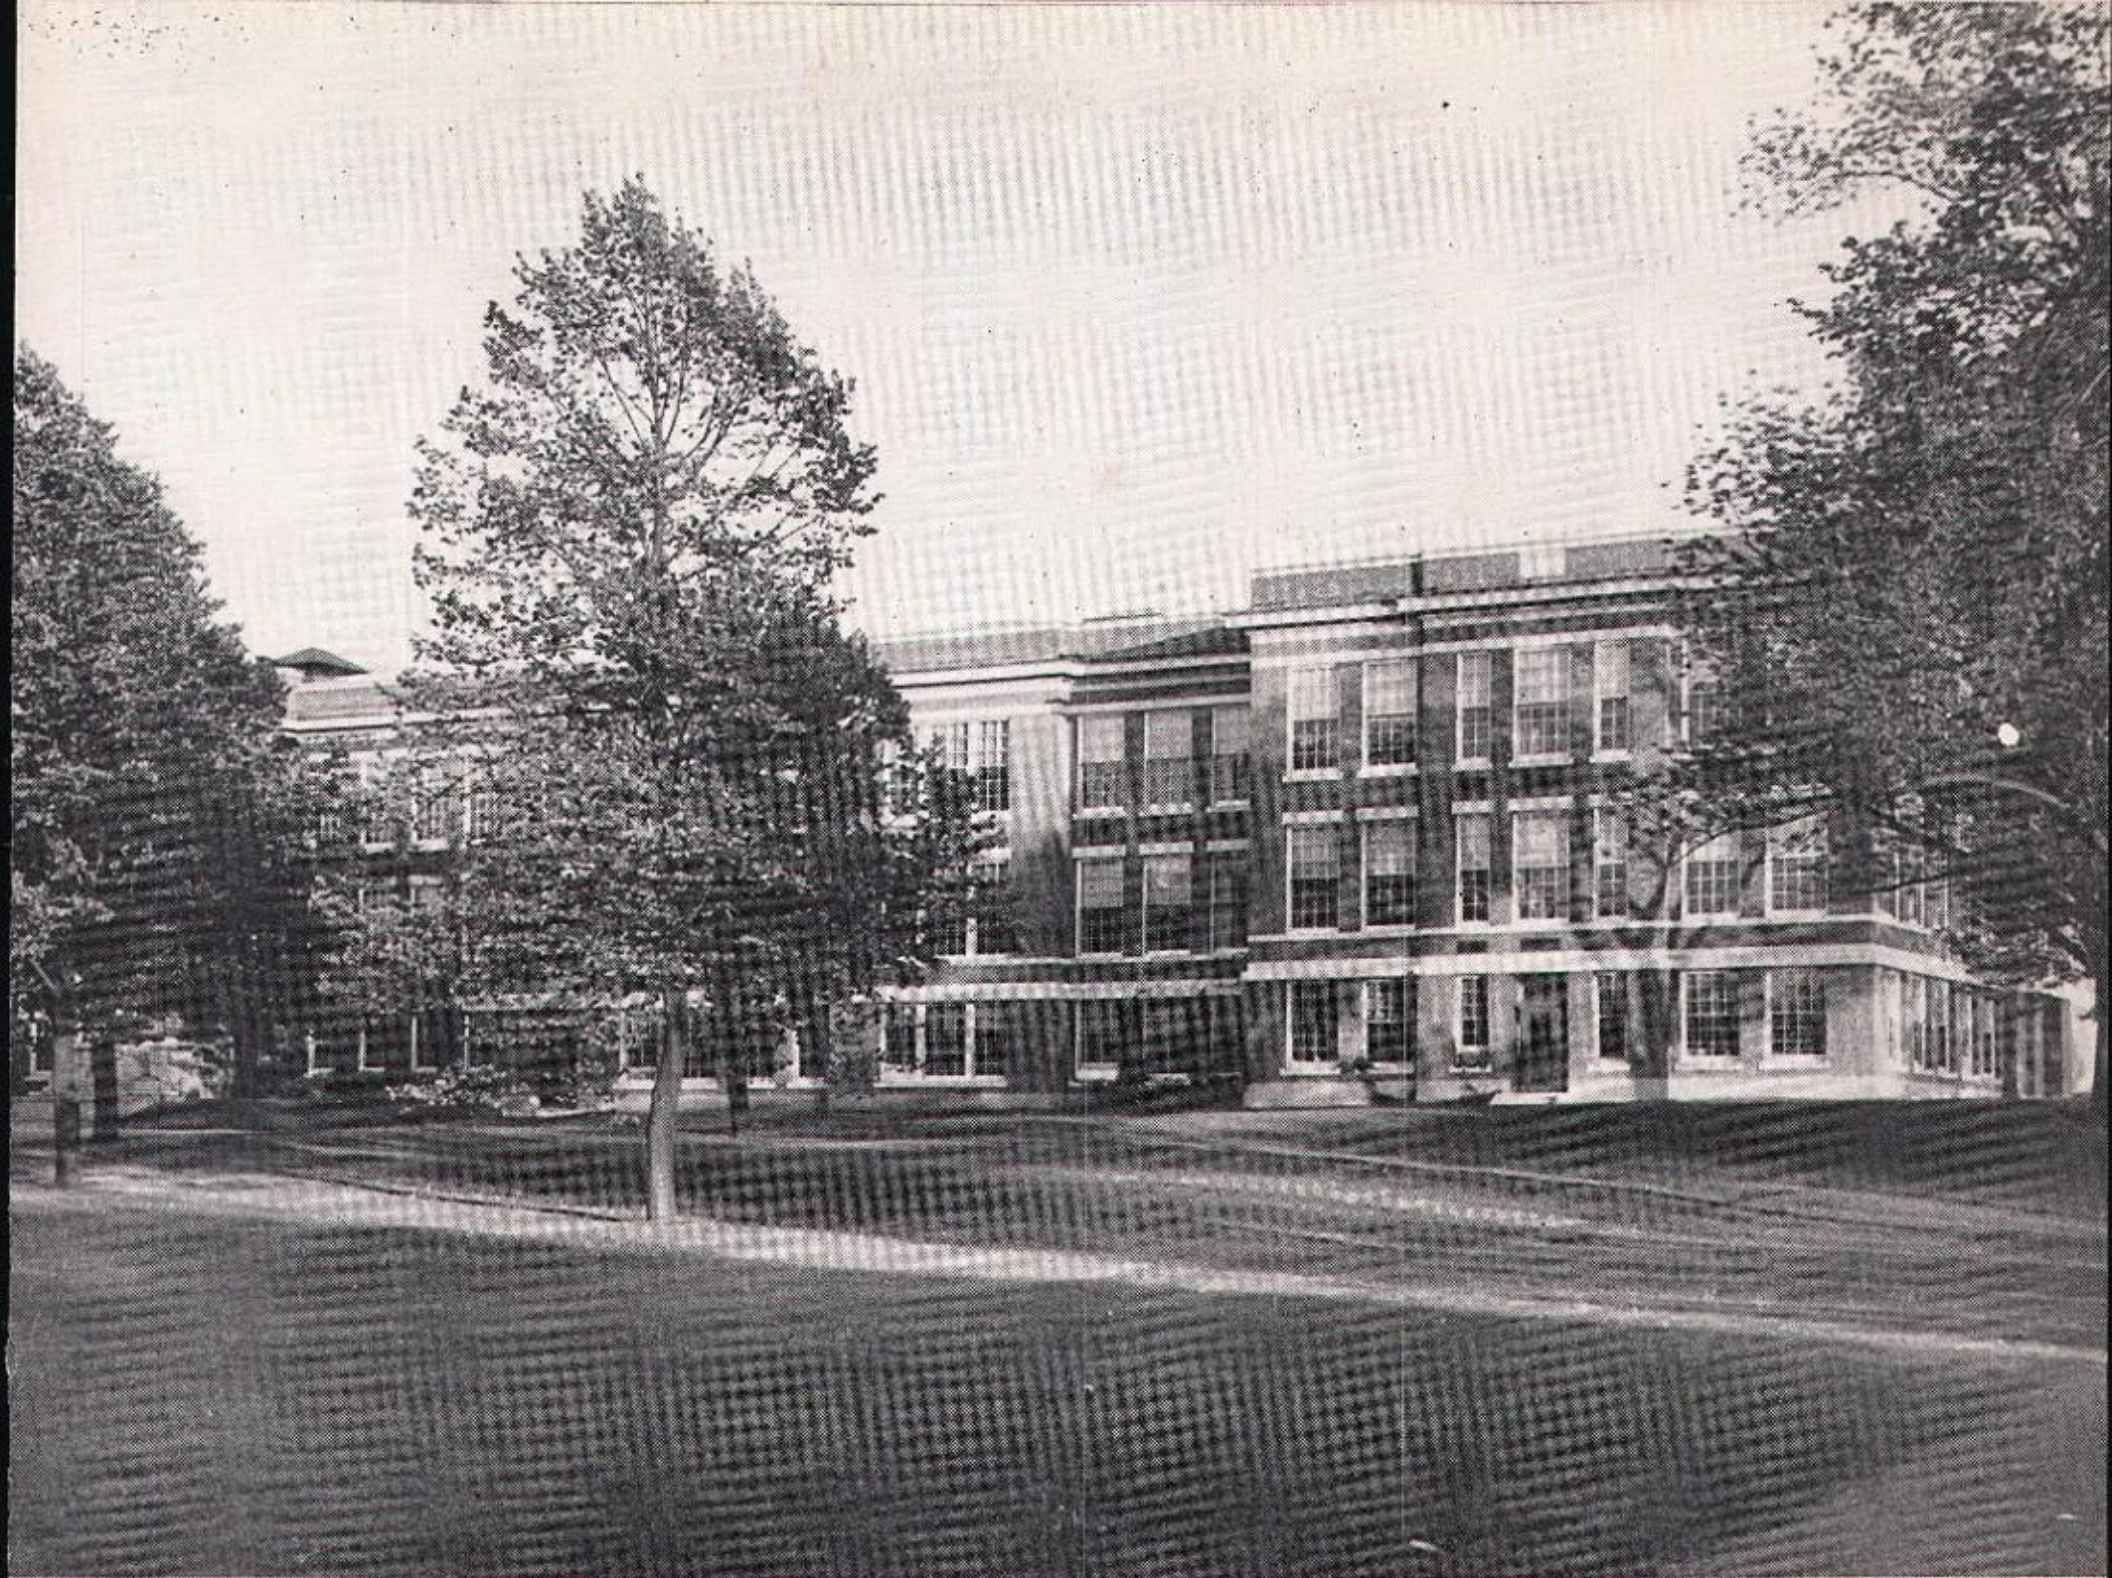

It is a unique road which we have walked towards the goal of graduation. There have been rough going and easy travel, hard work on the one hand, but ample enough moments of pleasure and companionship on the other to make parting at the crossroads so much more difficult. Our well-worn shoes have scuffed the corridors between periods, hurried us into the cafeteria line first, slapped the gym floor after that lay-up shot, felt the good earth of the gridiron, and skimmed the varnish at many a dance. Just as we have different shoes for different activities, so also are we equipped with different types of knowledge to meet the diversities of life. But just as cleat shoes don't make a baseball player, neither does knowledge, in itself, make a successful man. Only by applying that learning with wisdom and perseverance may we become "big-leaguers."

Therefore,
may these shoes,
which have been
chosen as the
theme of our

1953 Unquity
Echo Yearbook,
never take a
misstep in the
hard trip ahead.

The Principal's Message

The hour of commencement is approaching. In June several million young people will join the vast body of American high school graduates. Consequently to you the present time is critical. To you the contemporary events of your life are no less crucial than were very turbulent days to your predecessors.

The adult life into which you are emerging has evolved through a long chain of dissensions and improvements. Apparently each class climbs a pyramid built ever higher by each successive generation. Therefore, as the horizon seems to recede, the circle of vision includes many more observable problems. It is my belief that, even though recognized problems increase each year, your prepared ability to face issues and solve them also grows each year.

It is your fortune to vault into active constructive citizenship at a pivotal point in democratic development. The issue of freedom always seems transcendent in American controversy. From the freedom of religion to the freedom to work comprises a long span of history. Free enterprise, free education, free opportunity, and freedom to be individualistic are significant goals in American aspirations in which a degree of success has been attained. But progress in human relations does not prevail easily. "Blood, sweat, and tears" are virtually synonyms for disruption of the status quo.

Today large numbers of world citizens are not in accord with free enterprise as a worthy mode of production. The impacts of rival ideologies are making indentations on some traditional tenets of our forefathers. National ownership is developing. Public supervision is being accepted. Through taxation widespread federal research is being assured. More and more areas of benevolence are being recognized as governmental responsibilities.

In your emerging world, service is much more a hallmark of merit than it has been. No longer do schools intentionally spur rivalry. Teachers certainly do not encourage young people to practice self-idolatry. Public schools, colleges, and state departments of education are fostering citizenship instruction. Beneficial social attributes are being inculcated. Planned activities to develop widespread public acceptance of social responsibilities are being sponsored. The trend toward altruism is not limited to education and governmental agencies. Business also accepts the challenge. Industrial corporations through foundations are supporting numerous wholesome projects for the benefit of society.

Two thousand years ago a Biblical question was raised, "Am I My Brother's Keeper?" Today more and more laymen reply with a resounding "Yes."

Student Council

Front Row: D. Stevenson, P. Kenney, A. Dahlbo, R. Lake, V. Burdick, W. Pursell, R. Keddy. Second Row: J. Fallon, D. Lunt.

Student Council and Home Room Delegation

The Student Council experienced a successful year. Its members attended State and Eastern Division Conventions at Arlington, Winchester, and Gloucester. Robert Lake served as president of the Eastern Division and as a member of the State Executive Board. At the National Convention of Student Councils of 1952 which met at Evanston, Illinois, Robert participated as a discussion leader.

The main purpose of the Student Council is to serve the school in every possible way. This year the Council has engaged in varied activities, such as sending of cards to the service men graduated from Milton High School and to the sick members of the student body, raising an additional sum for its scholarship fund, and playing host to the Student Council Alumni. Milton Student Council is justly proud of the loyalty of its graduates.

David Stevenson, president of the Home Room Delegation, has presided over that group during a prosperous year. The Assembly has tried especially to publicize and help put into greater practice the "Code of Honor."

Business Staff

Were it not for the self-sacrifice and well-organized efforts of the business staff, M.H.S. would have no school publication. By conducting a record hop, by selling tickets for the senior play and for two moving pictures, and by obtaining sponsorships and selling subscriptions, the business staff has raised funds to support both the magazine and the yearbook.

Honor Roll

Those on the Honor Roll in Milton High School have been not only scholastic leaders but also members of various extra-curricular groups. As they pursue further studies or enter business, their ability in leadership will enable them to achieve the high goals for which they strive. These seniors whose willingness and ability have been recognized receive the admiration and respect of the entire student body and the faculty. Their scholastic achievements merit special acknowledgment.

Unquity Echo

This year the *Unquity Echo* Staff has again endeavored to maintain the high standard of past years. With Richard Lincoln as *editor*, the members have put out Christmas and spring issues with entertaining stories, interesting features, and attractive cuts. The results of their efforts should equal the impressive record of last year's staff, whose issues won first rating in the Columbia Scholastic Press Association contest and the *Boston Globe* one hundred dollar award.

Echo

Front Row: G. Smith, B. Kelley, E. Dowd, R. Lincoln, E. Coughlan, J. O'Connor, M. Campbell. Second Row: B. Avery, M. Edmundson, D. Stevenson, M. Cappers, C. Donohue, W. Gustafson, M. Gordon, R. MacDonald, R. Murch, S. Mikulski, B. Boynton.

Orchestra

Front Row: J. Collins, J. Curran B. Graham, P. Connors, L. Stanhope, M. Phipps, D. Thompson, H. Laurie. Second Row: Mr. Tatro, R. Murch, W. Ferry, R. Lincoln, D. Bannan, M. Cappers, A. Pappas.

Orchestra

A small group of pupils interested in orchestral music met each Thursday afternoon in Room 223. Under the direction of Mr. Tatro the group played at several school functions during the year. The two highlights of the year, however, were providing the music for the senior play and playing in the spring concert. One of the new selections the orchestra learned is Hayden's *Toy Symphony*. This has proved to be a great favorite with the members.

Band

The band members had an active schedule with band rehearsals brought into school time. The band supplied the musical entertainment for the football games, gave a school assembly program in April, and presented its annual concert in May. Two members represented Milton at the All-State Band in Springfield, and four others were in the Eastern Massachusetts Band in Randolph. As in past year the band provided the musical background for commencement.

Band

Front Row: G. Wifholm, C. Westhaver, B. Pearson, M. Phipps, Mr. Tatro, J. Roeder, J. Swingle, B. Irwin, L. Stanhope, J. Myers, G. Chandler, J. Carroll. Second Row: R. Crowley, R. Weaver, D. Peters, C. Donick, S. Slyne, D. Morrissey, B. Zwicker, B. Mooney, J. Collins.

Dramatic Club

Under the able guidance of Miss Partridge the Dramatic Club has accomplished much in providing the student body with lively and interesting entertainment, as well as instilling in its members an appreciation for the time-honored art of acting. On April 17 the seniors of the club presented "Bertha, the Beautiful Typewriter Girl" for the benefit of the magazine and the yearbook.

Speech Activities

A new club, Speech Activities, with Miss Shirley Cave as adviser, was introduced to Milton High School this year. Through the club, which met biweekly on Tuesdays, the members became acquainted with individual speaking, work with radio scripts, voice recording, and the techniques of group discussion. This club should become very popular among M.H.S. extra-curricular activities.

Glee Club

Under the direction of Mr. Tatro, the members of the Glee Club have enjoyed many pleasant times rehearsing and performing. In the fall they provided music for the Thanksgiving assembly, and for the United Nation's Day program at the Pierce School. At Christmas time they presented their Christmas Assembly, the Christmas promenade in Quincy, and sang Christmas carols in the school corridors. The next Glee Club project was the excellent Spring Concert presented in May.

Chess Club

The Chess Club, under the capable direction of Mr. Brown, has played exhibition games with several South Shore teams. Because of Dave Wekstein's amazing skill and Stan Stearns' organizational and teaching ability, the team has been able to prove the powerful versatility of Milton High School, even in this most difficult of games.

Junior Aides

For the second year, girls from M.H.S. have served as Junior Aides at the Milton Hospital. From half-past four until six in the afternoon they have performed such duties as filling pitchers with ice water, giving clean glasses, and serving supper trays. These girls, dressed in crisp yellow and white uniforms, not only have cheered hospital patients but, at the same time, have learned about the nursing profession.

Scribblers Club

If one sat in on a meeting of the Scribblers, he'd hear poems, jingles, and short stories written by members of the Club. Miss Reed is to be congratulated for her success in imbuing the sophomores and juniors with the valuable skill of colorful, concise writing.

Girls' League

The Girls' League has had a busy year with many activities. The impressive candle-light installation of new officers, followed by the initiation of the sophomore girls, occurred in November. Shortly afterward, the League members organized the Junior Aides at Milton Hospital. At Christmas time the members sent much-appreciated toys and gifts to the Home for Little Wanderers, held a Christmas dance, and shipped a Care package overseas. In February the dramatic committee presented a play at the valentine tea for mothers and repeated it for the school assembly. Finally, the year was climaxed with the annual Girls' League Spring Dance.

Fourth Row: A. van Gestel, S. Snell, G. Bossi, S. Svedeman, J. Thornton, D. Whitney, W. Kantaros, E. Cicconi.

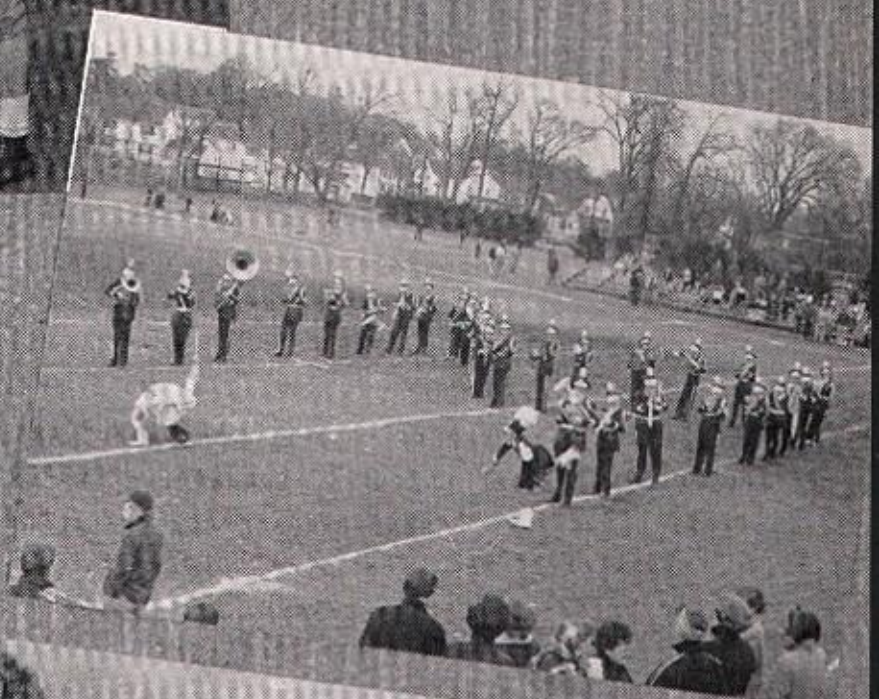

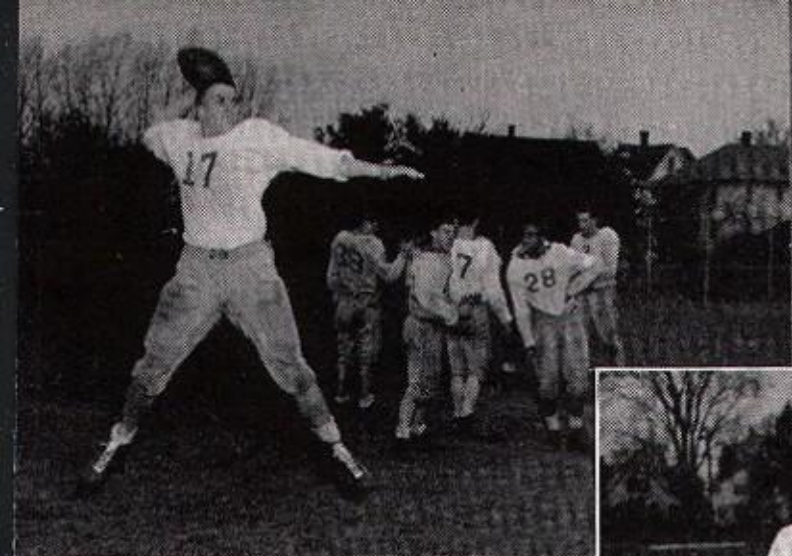

FOOTBALL

The Whiz Kid grid team climaxed a successful season by winning more than half of their games. The team ended the season with a 5 and 4 record after getting away to a slow start by losing the first two games to Winchester and Natick. The spirited eleven finally got started by a win over Norwood. With a victory under their belts, Coach McCormick's charges led by the fine play of the two co-captains, Jim Moran and Hank Cross, steadily improved throughout the rest of the season.

In the two big games of the year, the team beat North Quincy but lost to the Wamps of Braintree. The North game was a thriller down to the last second. It was decided by an extra point kick by John McDermott after Garry Finerty had plowed over for the equaling touchdown. Milton won a 13 to 12 victory in the waning minutes of the ball game. The Thanksgiving Day game was a different story though. Braintree, led by the fine running of Bill McCarthy, completely outplayed Milton and led 13 to 0 at the half. Milton finally got started in the second half and clicked for a touchdown. Bob Lake threw a pass to end Jim McGrath who ran seventy yards for the score. Time ran out before Milton could score again, and the season ended with a disappointing loss to Braintree 13-6.

BASKETBALL

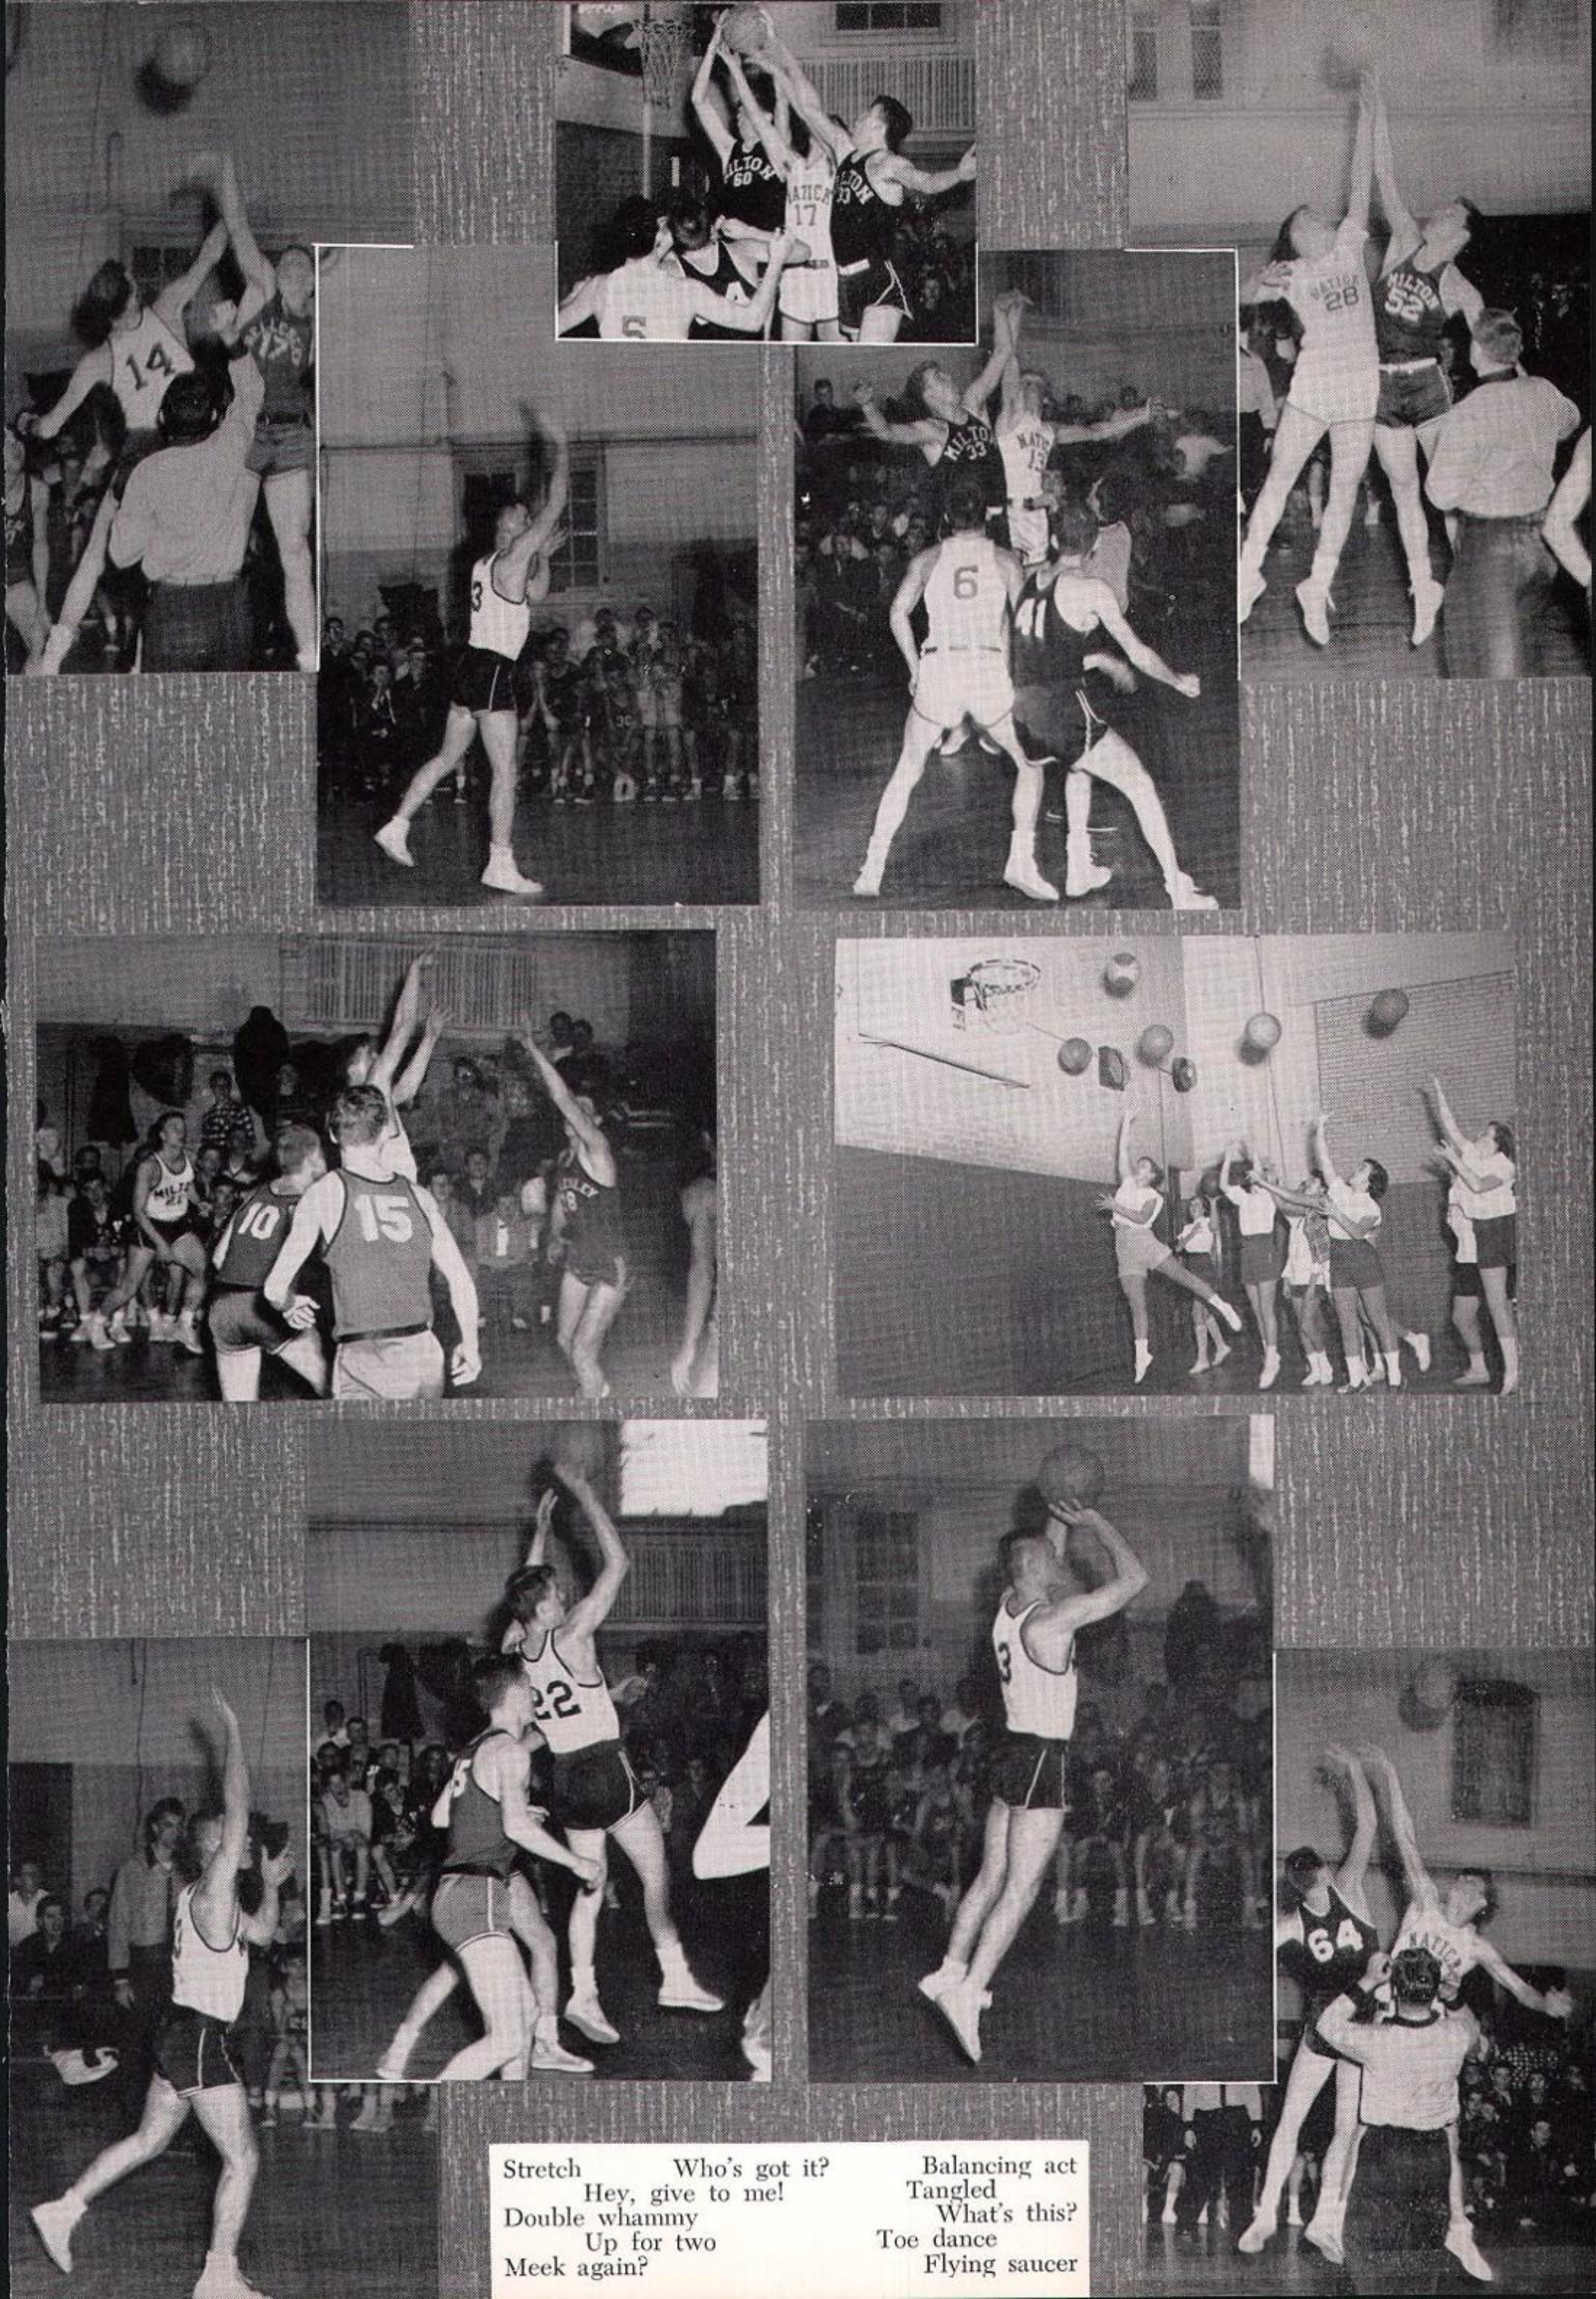

Finishing second in the Bay State League, the Whiz Kid hoopsters enjoyed an 11-3 record. After getting away to a slow start by losing two out of their first three games, the team improved steadily as the season progressed. The main scoring power of the squad was supplied by the co-captains John McDermott and Bob Lake. Johnny worked out of the pivot position, while Bob did most of his shooting from the side. Other senior standouts included Bob Connelly, George Meeken, and Art Ahearn.

Coach John M. Haskell

Throughout the season the team treated their followers to some very exciting games, many of which could not have been won without the Kids' untiring spirit. There were five games that were decided in the last few minutes or seconds. A good example was the second Dedham game, which was won by a basket by Art Ahearn just before the buzzer sounded. Another thrilling game was the second Needham contest, Milton having dropped the first. In this game the Whiz Kids played possession ball to stop the fast-moving Needham quintet, only to be hurt by a poor third quarter. The two losses to Needham were a big reason why the team didn't gain a post season invitation to the Tech Tourney.

Next year should see a fine M.H.S. basketball team on the court because of the gifted and experienced ballplayers returning.

Cheerleaders

At every football and basketball game home or away the cheerleaders, under the able leadership of Jini Burdick, the vivacious head, were always there rooting the Whiz Kids on to victory. In addition to cheering at games, they participated in many cheerleading competitions in which they were tops.

New cheerleaders who joined the squad this year were Nancy Baker and Sandra Gerke, juniors, and Peggy Holmes, sophomore.

Cross-Country

The "hill and dale" boys of M.H.S. ended a good season by winning half of their dual meets. Coach Howard Smith's team had victories over Quincy, Weymouth, Rockland, defending State champs, and suffered a defeat to Brockton by the slim margin of one point. The highlight of the season was the outstanding running of Neil Wallace, captain of the team. Neil won not only all the dual meets, as well as state championship in Class D, but also the New England championship.

Hockey

Competing in the fast-moving South Shore League, the Milton High squad once again proved to be a formidable foe. Coach Carnie's team ended the season with a 3-2 record. Led by the high scorers of the season, Captain Jerry Dacey and Billy Mahoney, the team handed North Quincy its first defeat in three seasons. Lack of ice hampered the team from completing its schedule and moving higher in the league standings.

Hockey Team

Front Row: R. Scales, W. Mahoney, C. Brooks, J. Dacey, H. Cross, A. van Gestel, J. Moran, Mr. Carnie. Second Row: R. Lishman, R. March, R. Mahoney, J. Leary, H. Ellis, N. Dahlbo, R. McAuliffe, B. Halliday, W. Pursell.

Indoor Track

Front Row: R. Noris, J. Stenberg, F. Brimstine, J. Engdahl, N. Wallace, J. Hannon, J. McGrath, H. Miller, P. Kenney, R. Stevens, W. Ellis, D. Clasby. Second Row: D. Tiews, J. Bender, J. Clasby, T. Colligan, G. Grose, T. Hawkins, R. Smith, W. Richardson, Jerome Driscoll, James Driscoll, J. Lane, J. Craig, E. Bonano, D. Desmond, W. Luce, R. Presutti. Third Row: G. Martin, K. Forde, J. McCusker, G. Williamson, P. Sullivan, J. Deering, M. Gordon, R. Smith, J. Carnie, R. Bruce, J. Kearney, W. Kantaros, R. Duncan, W. Keough, H. Weeks.

Track

The indoor and outdoor track teams enjoyed one of their better seasons. Performing in the Metropolitan Interscholastic League and the Bay State League, Coach Adams' teams displayed some fine running. The main factors behind the victories were the veteran runners and the balance of good distance and dash men. Another asset to the teams this year was the fine relay team, which always made an excellent showing.

Baseball

Once again the Milton nine showed the aggressive spirit which makes them such a tough opponent. Operating in the Bay State League, the team played very impressive ball throughout the season. A nucleus of seniors, led by Bob Lake and John McDermott, provided much of the punch in the lineup, but the team suffered slightly from the lack of pitching depth. The combined team play helped bring a good season.

Baseball

Front Row: A. Ahearn, J. McDermott, R. Lake, R. Connelly, W. Mahoney, B. Restuccia. Second Row: D. Teevens, W. Flannery, J. Mitiguy, W. Jepson, J. Moran, Mr. Osborn.

Tennis

Left to Right: D. Wekstein, J. Crosby, M. Edmundson, R. Mahoney, A. Blackburn, S. Stearns.

Tennis

Although hampered by the lack of experienced tennis players, Mr. Dunbar's team still showed great spirit and ability in the past season. Led by such players as Dick Mahoney and Arthur Blackburn, the club made a good showing and always displayed plenty of hustle, whether playing away or at the courts at the Town Field. They played such teams as North Quincy, Hingham, and Brockton.

Golf

The new addition to M.H.S. sports completed its second year of existence. Mr. Kelley's squad, led by such players as Paul Crowley and Jack Dennehy, enjoyed a good year. Although in its second year the sport is fast becoming very popular with the pupils. Next year should see some big advances. Many of the matches were played on the Wollaston golf links.

Golf

Field Hockey

Field hockey teams were organized in September and named after states. There were two senior teams, Rhode Island, co-captained by Dottie Tyrrell and Peggy Kenney, and Pennsylvania led by Annette Granstrom and Dottie Morrissey. Pennsylvania had a very successful season placing second. Betsy Webb, Barbara Mooney, and Joan Fandel led their team for an eight-three season. Rhode Island ended in fourth place winning five games and losing five. Highest individual scorers were Julie Collins, Peggy Kenney, and Dottie Tyrrell. Seventeen seniors were awarded their shields.

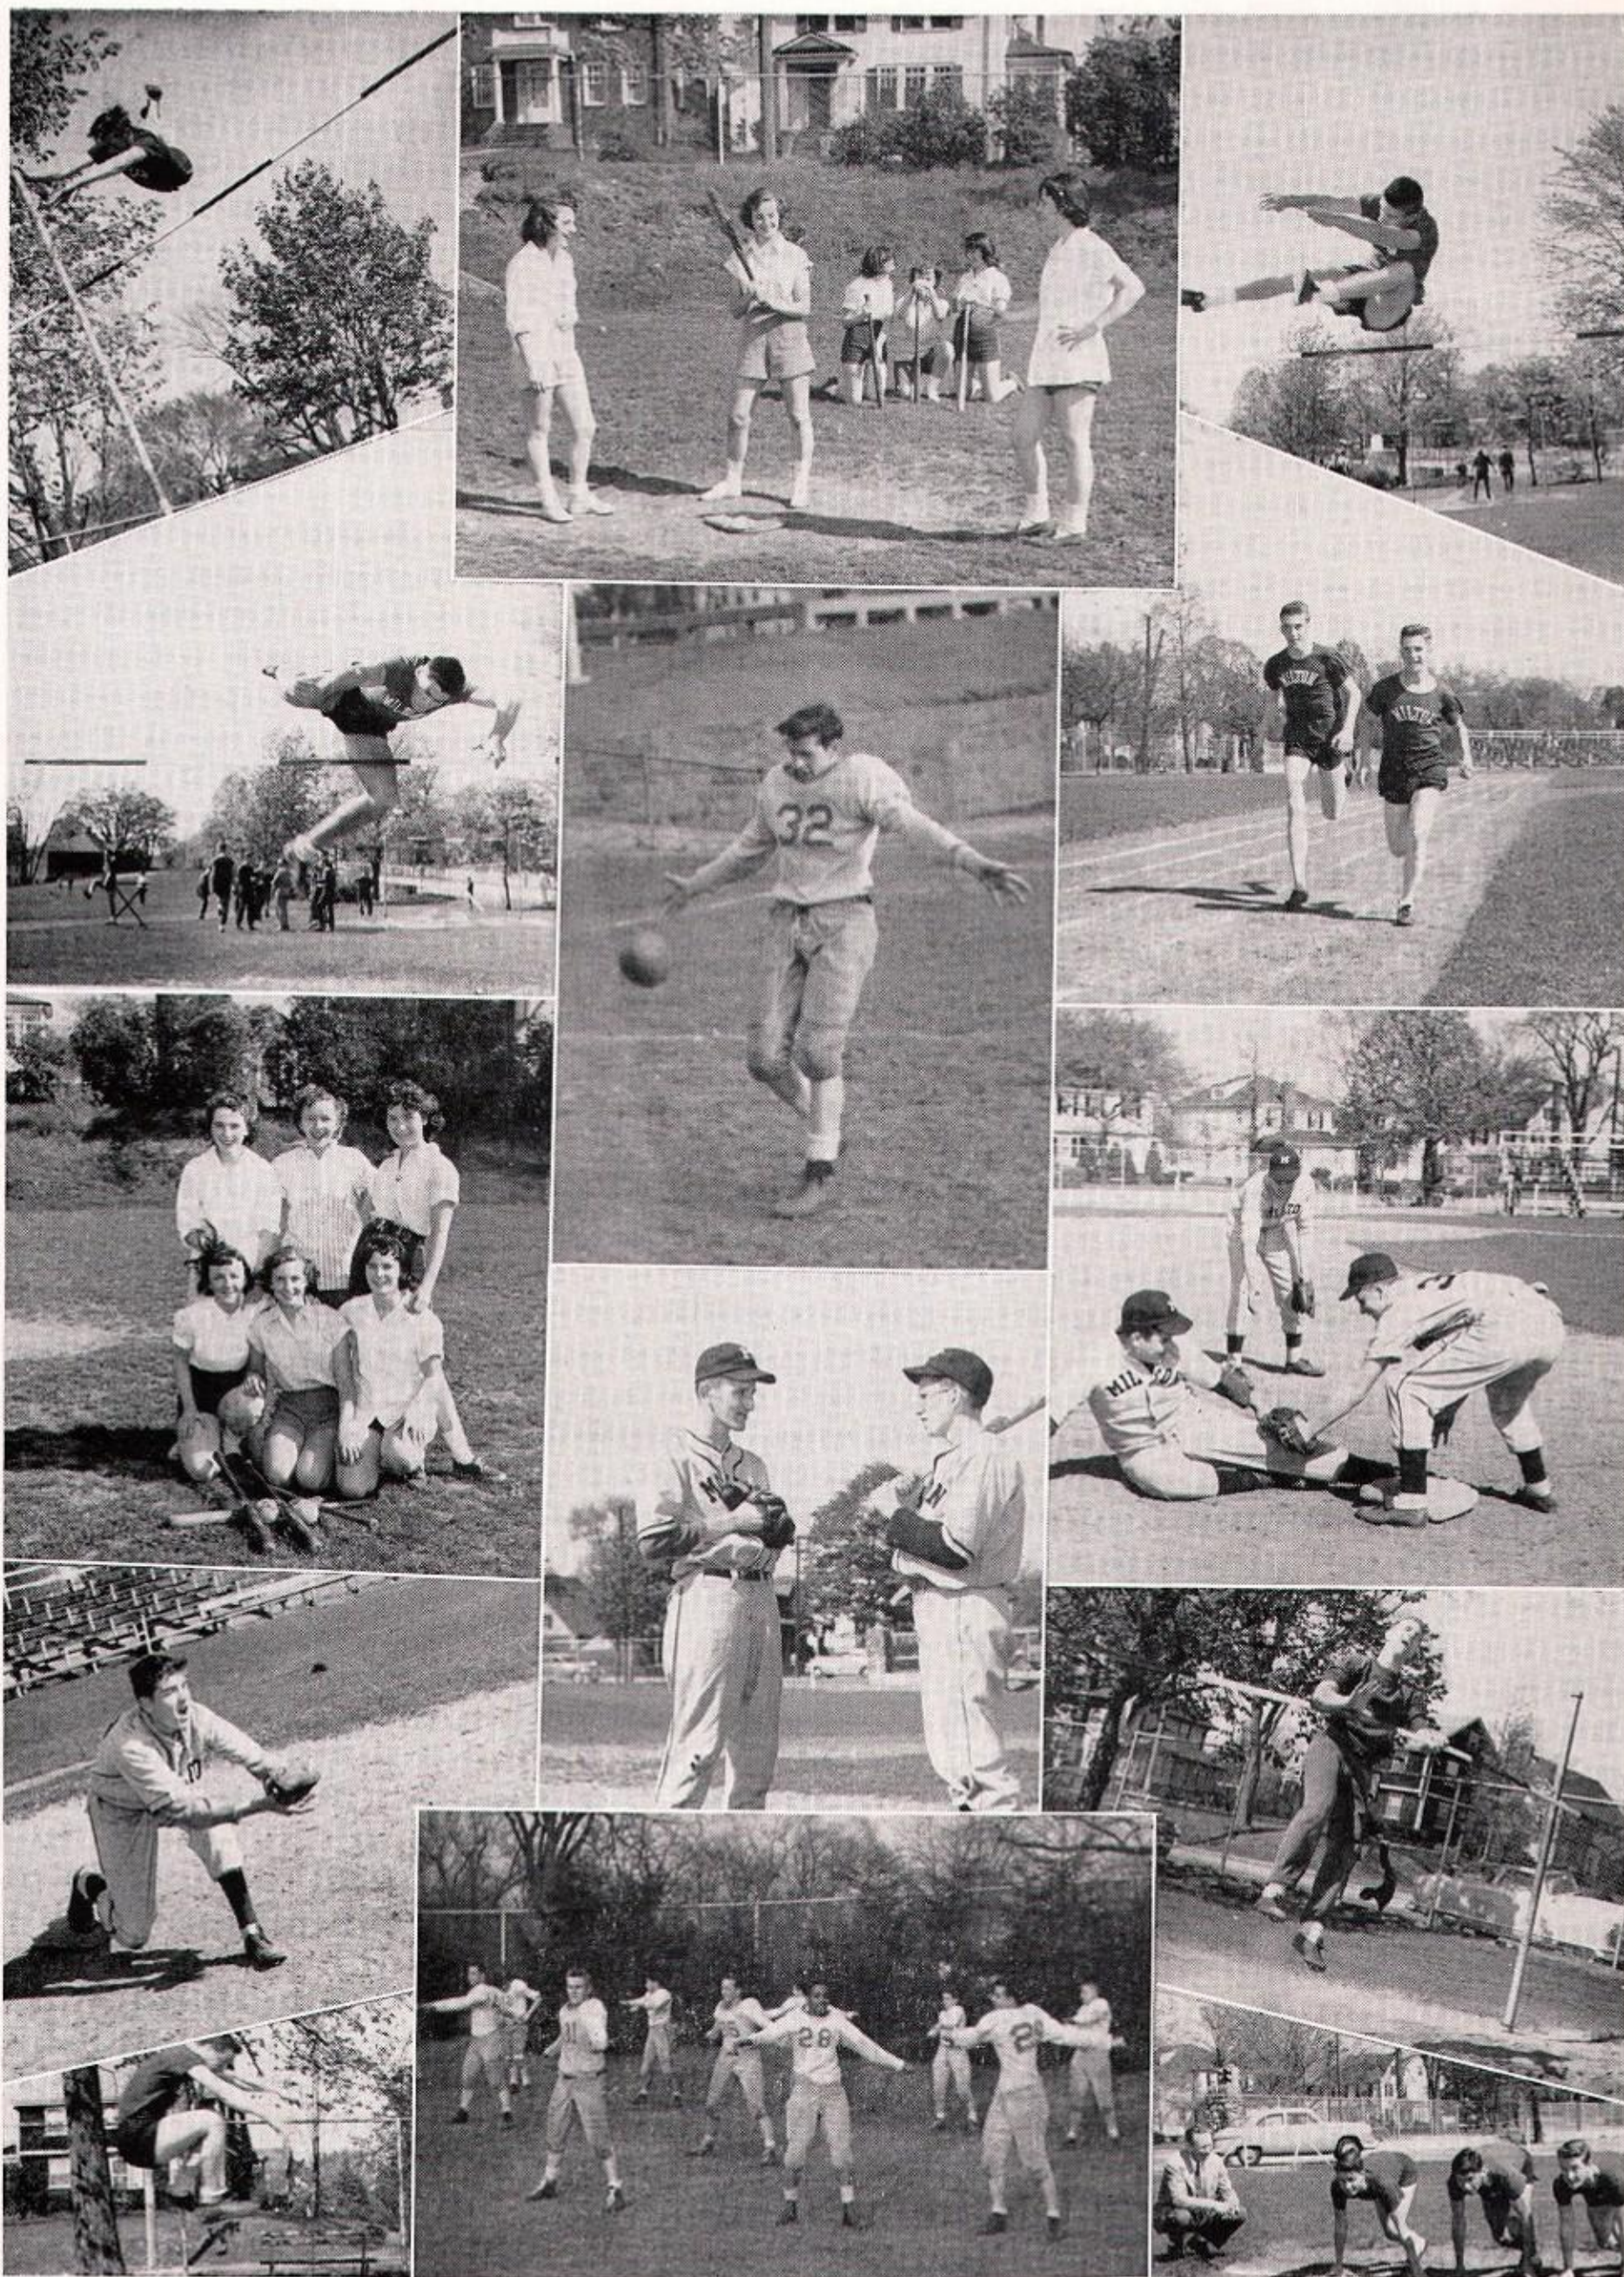

Girls' Basketball

All three senior teams had a very successful season finishing in a tie for second place. New York was co-captained by Peggy Kenney and Connie Kelty; Alaska by Joanne Swingle and Annette Granstrom; and Michigan by Betsy Webb and Allison Hersey. Each team won eight games and lost three. New York, however, scored the highest number of points. Highest scorers were Joan Fandel, Pat McDermott, Kay Sullivan, Nancy Oldfield, Virginia Burdick, Betsy Webb. Eleven girls from New York received shields; eleven from Alaska; and twelve from Michigan.

PRESIDENT'S MESSAGE

Looking back through the years to the war-ravaged world of 1940, we see the small figure of a child about to enter school for the first time. This child represents us, the present graduating class, who have received most of our formal education while the nations of the earth have been engulfed in bitter conflict.

During these years, we have been a living part of the changing world: the bombing of Pearl Harbor, the school adoption of a new salute to our flag, the death of a great president, the allied victory in Europe, the use of the atom bomb, the long awaited end of World War II, the once fantastic dream of television, the organization of the United Nations, the conflict in Korea, the death of a king and the coronation of a queen.

As we leave our public school life, each in his own way seeking a new goal, let us stop to appreciate the educational opportunities that we have had during these twelve years. By placing faith in ourselves, our country, and our God we confidently look into the future.

BREAKING THE SCHOOL
RULES

208

Do You Remember . . . ?

Just as a mirror reflects all the images put before it, our diplomas recall to us the many memories of our high school days. They bring to our minds the many struggles, aims, and dreams which we experienced.

First of all, remember how dominant and unapproachable the seniors appeared to be during the first few days of our sophomore year. Actually, the boys didn't have much to worry about, but the girls were disheartened by thoughts of the Girls' League Initiation. However, this event served to break the ice, and everyone appreciated seeing the girls at their worst. Then after our trip to the Walter Baker Chocolate plant we sophomores gained a little edge on the juniors and seniors because of all the chocolate we sported around school the next day. The boys were somewhat bashful about their first high school dance, the Harvest Dance, but by December they had conquered their shyness enough to attend to the Girls' League Christmas dance. As our sophomore year progressed, we became more involved not only in the fun but also in the work associated with school life. Geometry problems and Caesar's memoirs of the Gaelic Wars mingled in our cramped little minds with plans for the coming week-end and the next big sports event. Our basketball team lived up to our great expectations and entered the Tech Tourney. The Milton liveliness and friendliness were so outstanding that maroon hats with white M's became familiar sights around the Boston Garden. Nevertheless, our carefree days as sophomores soon ended and our next year stood before us.

Juniors! How proud we were to be called by that name! We began our second year, not as "measly, mousey, moth-eaten" sophomores, but as happy members of the class of '53 at ease in our now familiar surroundings. Having no active part in the initiation, we sat back and enjoyed the plights of the newcomers, all the while, keeping in mind ideas for future reference. Remember the famous bus strike? Nothing like a two-mile walk to cure those early morning blues. Poor, poor East Miltonites! The strike, however, didn't dampen our enthusiasm when we returned to the Tech Tourney for the sixth consecutive year. How could we ever forget those balcony seats where we yelled our heads off and threw everything but our screeching sirens over the railing when the Whiz Kids "rolled up the score." After receiving our class rings, we realized for the first time that we were about to enter our final year. The junior girls appeared in full force at the biggest social event of the year, the Senior Prom. When the senior homerooms were emptied at the end of May, we pictured ourselves as already belonging there and chose our future seats.

When we returned to Milton High for our senior year, we did not feel the dramatic change we had expected. We hoped, however, that our class work would not interfere with our social interests. In the field of sports we did not have

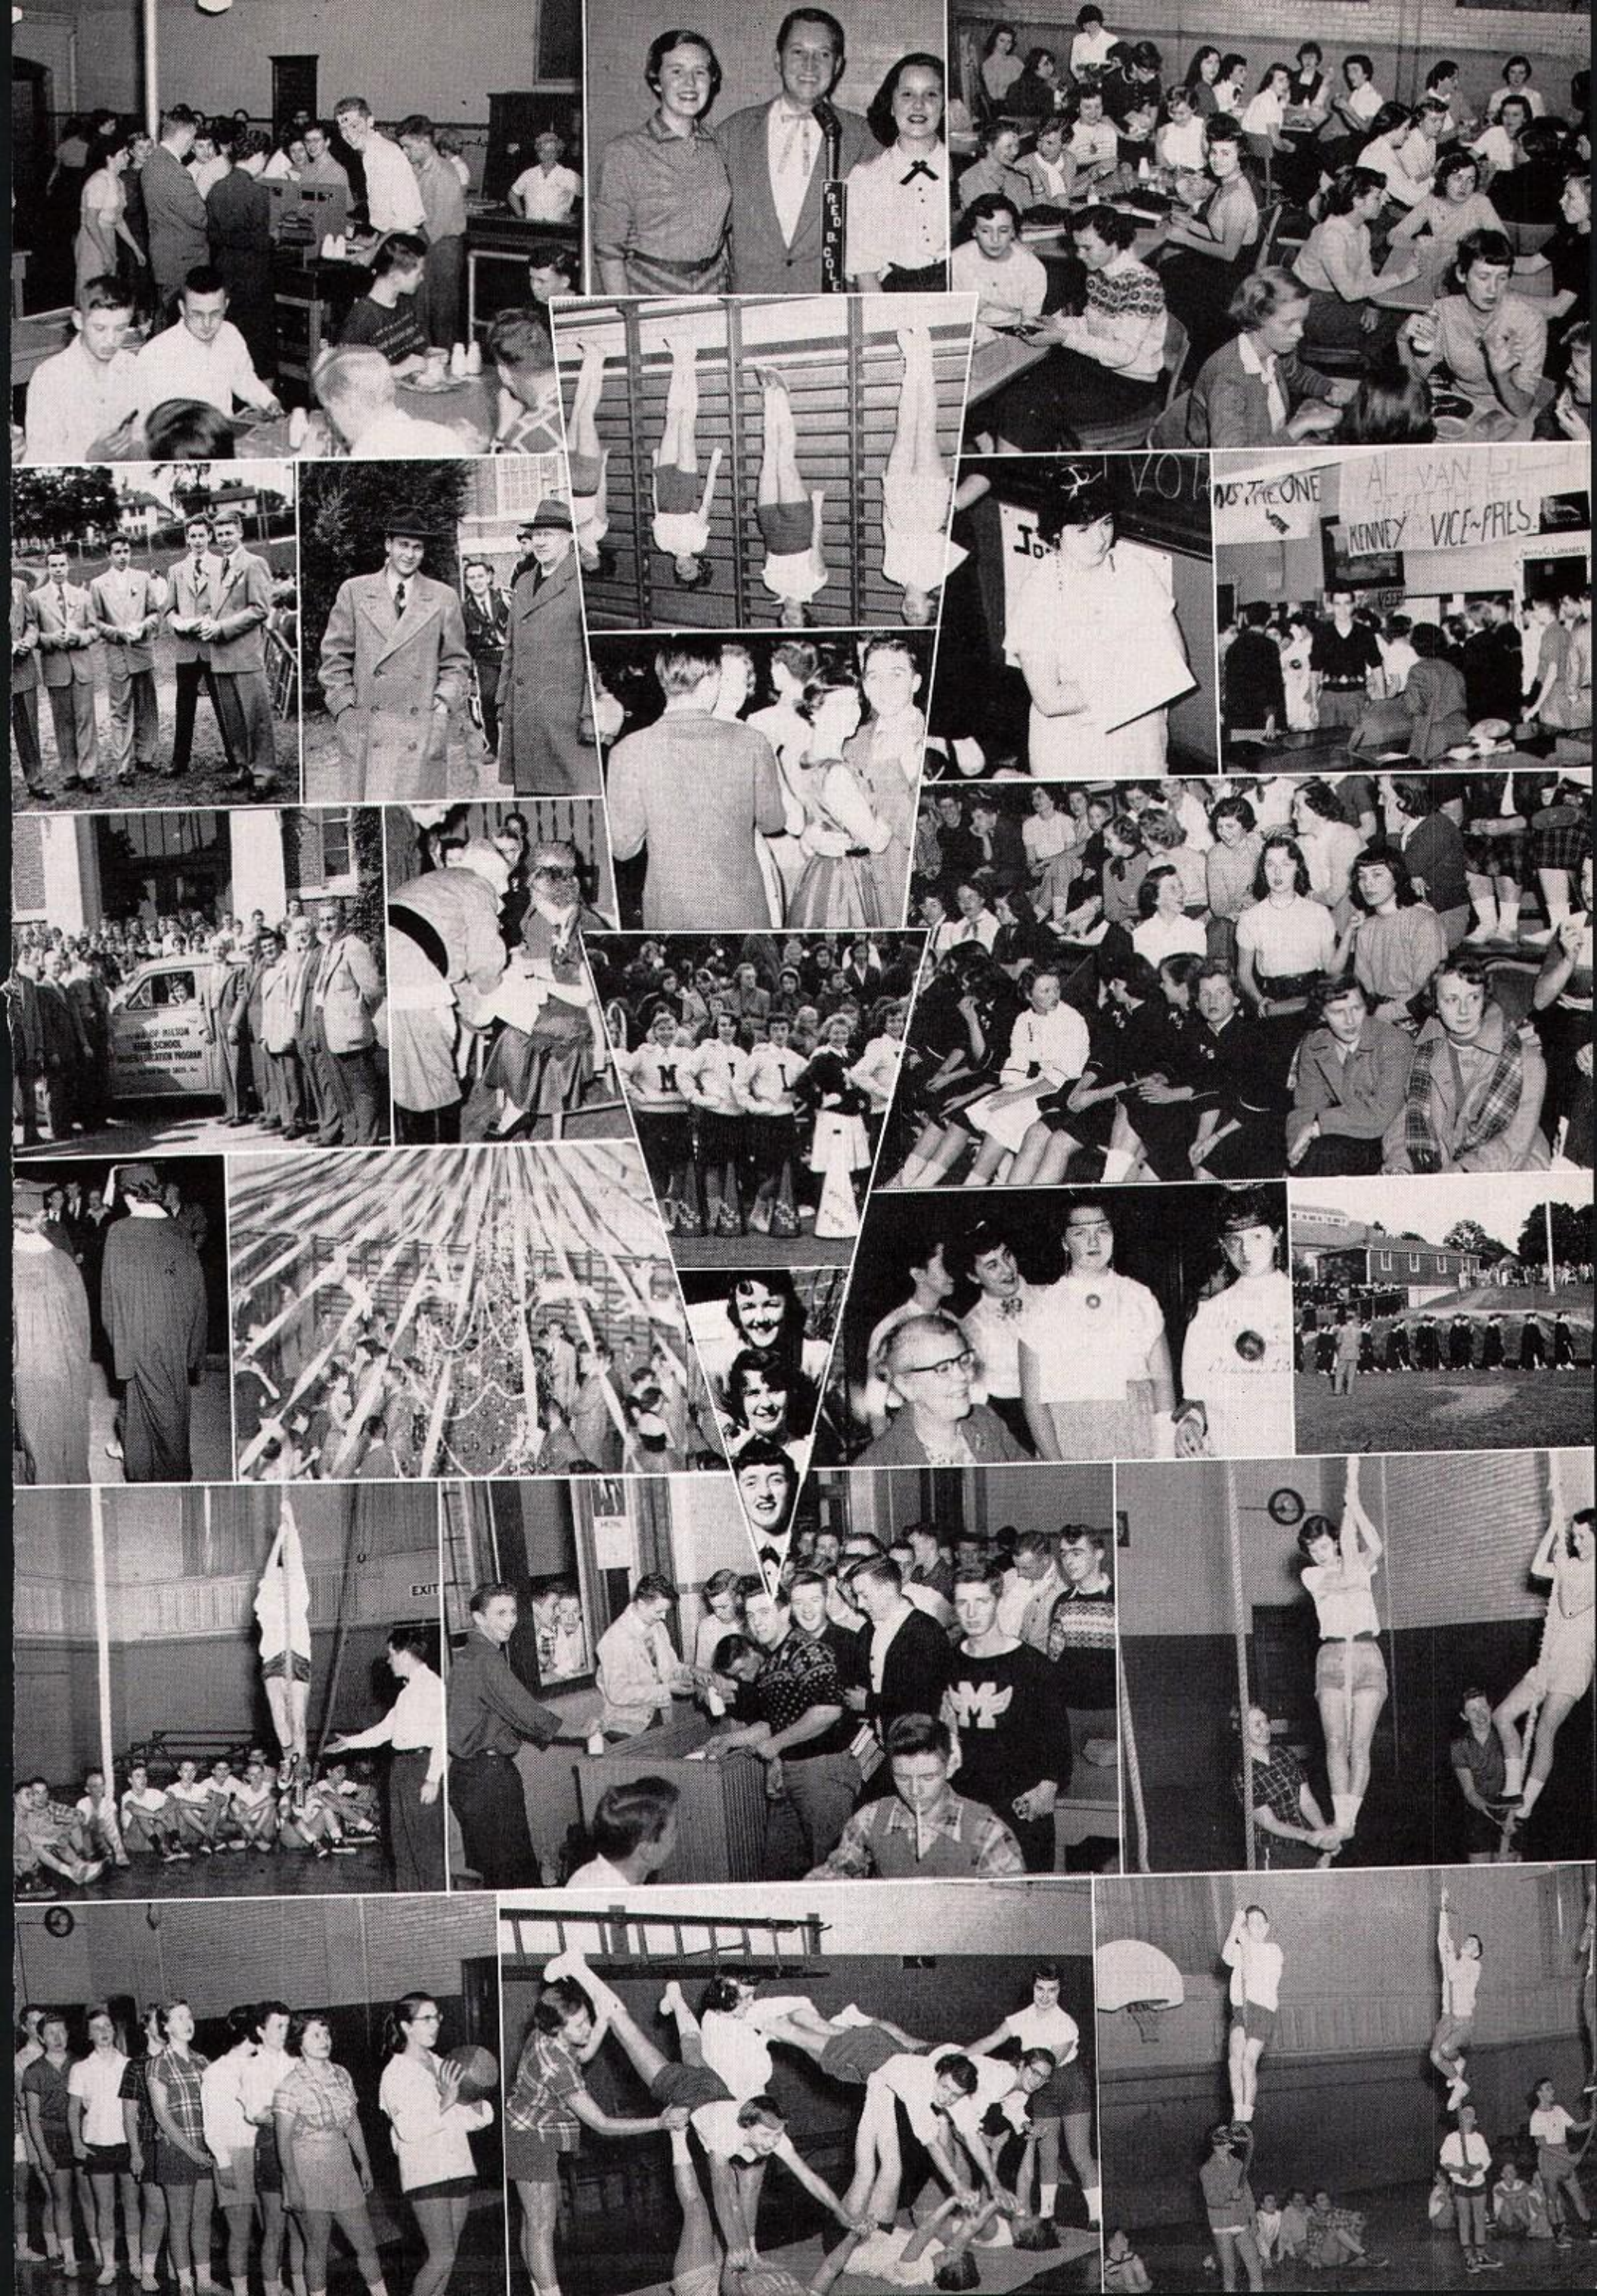

a magnificent record, but as usual it was better than average. Even though we lost the three Braintree Thanksgiving Day football games, we can boast of our three wins over North Quincy, especially that game of our senior year when the extra point just saved us from a tie. We happily remember our basketball glories and our track victories with our individual senior star, the New England cross-country champion. To elaborate further on sports we could very well draw a cartoon picturing our hockey team swimming around in the melted ice. Thus, though we haven't named specifically all the sports of M.H.S., we have tried to recall some memories. Remember how, during the election of class officers, the senior home rooms were covered with campaign posters? How many times did we wonder whether the big sign across the ceiling of 208 would fall and whether the dollar bill would stay on the wall? After the selection of class officers, we chose committees to plan our many important senior functions. In addition to the Harvest Dance, the Christmas Dance, and the Girls' League Dance, we attended a talent show, a series of movies, and a record hop at which we learned the bunny-hop. And who can forget the day the girls played basketball while the boys led the cheering? In January we saw the President's inauguration on television especially installed in the school. We must also mention the two fads which were in vogue during our senior year — white bucks and knee socks. What a combination! From the sports and gayer side of school life, let us now go on to the school work itself.

Having been forewarned of the senior-year outlines, we conquered them with a maximum amount of ink and a minimum of effort. Some of Mr. Kelley's experiments may not have been successful, some of Mr. Brimstine's pet puzzles may have seemed impossible, and "Macbeth" may have given a real workout to our brains; but the most elusive problem of all was the hiding place of Mr. Smith's rotten-egg gas. But seriously, although we may not have learned all the facts in our three years' course, we did learn to appreciate the help given by our teachers and to understand the importance of our education. Then as old man winter began to leave us, boys and girls naturally became friendlier. Therefore, as we walked down the corridors, we saw many couples happily lining the walls.

Finally, "Bertha, the Beautiful Typewriter Girl" was produced as our senior play, and the prom was over. Graduation is now at hand.

Just think, fellow seniors, as we receive our diplomas, about the many, many happy times in the recent past. We are leaving most of our school friends. We shall not participate in school sports and activities, sit with our classmates any longer, nor have the friendliness and help of our teachers. Think how it will be, no longer to call ourselves part of Milton High. Indeed, the happiest days of our lives have been our high school years at M.H.S.
